Governor of New York State
State Capitol
Albany, NY 12224

Dear Governor Paterson:

I am writing in support of a stimulus plan grant application on behalf of the Coeymans Hollow Volunteer Fire Corporation. The grant would support the construction of a new fire station which has been in the planning stages for years.

The Coeymans Hollow Volunteer Fire Corporation Building Committee has worked six years on a plan to modernize the fire station and as a "shovel ready" project, I believe this project clearly merits consideration.

Please support this application, it will benefit the residents of Albany County in ways that the stimulus plan intended.

Sincerely,

Charles E. Houghtaling, Jr.
